

Brexit and beyond: Helping members future-proof their business

Now that the UK has left the EU, it's crucial that all companies keep up with the changes that will impact their business – both now and in the future.

Here, CRN UK can provide invaluable support and assistance.

Through its regular and direct contact with the UK authorities, interpretation of information and assessment of relevance, CRN UK is helping its members stay abreast of evolving legislation.

In addition, we are feeding information from our members direct to the authorities, advising on possible impacts on the supplement and functional foods industry, and helping to direct the route of UK legislation going forward.

If your company would benefit from the insight and support provided by CRN UK, [contact us](#) now to find out how best we can help your business.
